

The floor plan of the first floor of the 'Korona' building is a symmetrical layout. It features a central corridor (Flur) and several rooms. The rooms are labeled with their names and areas in square meters. The entrance (Vestibul) is 14.3 m². The main hall (Hol) is 25.4 m². The kitchen (Küchen) is 5.10 m². The plan also includes a staircase (Treppenhaus) and a parking area (Parkplatz). The overall dimensions of the building are 10.00 m by 10.00 m.
